REQUEST FOR THE CORRECTION OF INVENTORSHIP
OF PENDING PATENT APPLICATION
(37 C.F.R. 1.48(a))

Sir:

This is a request for correction of error in not naming an additional inventor, Richard Paul Thornberry, in the above patent application. This error occurred without any deceptive intention and it is respectfully requested that the PTO issue a certificate correcting the error. Enclosed herewith is a statement from Mr. Thornberry stating that the inventorship error occurred without any deceptive intention on his part. A statement from the current inventor agreeing to the change of inventorship is also included. A statement from U.S. Greenfiber, LLC, assignee of the original named inventor, agreeing to the change of inventorship is also included

Enclosed with this request is the fee of \$130.00 in accordance with 37 C.F.R. 1.48(a) and 37 C.F.R. 1.17(i). If any additional fees for this request are required, Applicants request that this be considered a petition therefore. The Commissioner is hereby authorized to charge any

STATEMENT FROM CURRENT NAMED INVENTORS
37 C.F.R. 148(a)

I, Ivan Thrall Smith, agree to the change of inventorship, which now includes Richard Paul Thornberry as a co-inventor. I am aware of no deceptive intent that occurred which kept him from being initially included as a co-inventor.

Respectfully submitted,

ASSIGNMENT

This Assignment made by me, Richard Paul Thornberry, hereinafter referred to as assignor, citizen of the United States of America, residing at 3235 Soda Canyon Road, City of Napa, State of California 94558

WITNESSETH: That,

WHEREAS, I am one of the inventors of certain new and useful improvements in **FIRE RESISTANT CONSTRUCTION** for which an application for Letters Patent of the United States has been made, namely, Application Serial Number 10/786,466 filed February 25, 2004; and

WHEREAS, U.S. Greenfiber, LLC, a corporation duly organized and existing under the laws of the State of Delaware and having a principal place of business in Charlotte, North Carolina, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by me herewith, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said assignor, have sold, assigned, transferred and set over unto the said assignee, its successors and assigns, my entire right, title and interest in and to the above-mentioned application and invention and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and

entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the sole and lawful owner of the entire right, title and interest in and to the invention, application and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to my said assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patent in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said assignee, its successors, assigns or nominees, the entire right, title and interest in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the

United States and in and to the invention described in said application; and I hereby authorize and empower the said assignee, its successor, assigns or nominees to apply for Letters Patent or other form of protection on said invention in its own name or in the name of its successor, assignee, or nominee, in any and all countries where it may desire to file such application and where said application may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Letters Patent, or other form of protection, for said invention or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the assignee, its successor, assignee, or nominee, without charge to my said assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this the 20th
day of November, 2006.
